

COMET® Operations

For Out-of-School Time (OST) Organizations
Helping prepare kids for the future ... one child at a time

A PROUD PARTNER OF

BOYS & GIRLS CLUBS
OF AMERICA

How will your club, staff and kids succeed?

The COMET team includes our non-profit partner, [Children's Institute, Inc.](#), and focuses on the success of children. The goal of COMET is to support your organization and its mission to help members realize their full potential. We work to make sure you can use your data to improve services and outcomes for kids. COMET allows you to track attendance, administer assessments and surveys and perform member and program evaluations. It has BGCA-specific functions too!

COMPLETE WEB-BASED DATA MANAGEMENT SYSTEM

- Communicate your impact.
- Have meaningful outcome data on programs and activities
- Easy to gather, manage, understand, and communicate
- Improve probability of academic success

Use data to create more compelling stories

Boys & Girls Clubs of Buffalo

"With COMET and Children's Institute we can demonstrate outcomes and understand the impact we make. The staff finds COMET easy to use and is very pleased with how easily we can generate reports for funders and for ourselves."

Boys & Girls Clubs of Woonsocket

"Being web-based, it is more user-friendly, flexible, and reliable. I have results at my fingertips to show funders that we are fulfilling our mission. I strongly recommend COMET."

Boys & Girls Clubs of Northeast Florida

"I am excited...Until now, we have been unable to reasonably afford a tool that will empower us to assess our own programs."

BGCA-Specific Functionality

NYOI Requirements: As an approved vendor with the National Youth Outcomes Initiative, COMET automatically sends required data to BGCA national.

Support for Annual Report: Each year, we update reporting to support the latest requirements from BGCA national, streamlining your annual report efforts.

BGCA Programs: COMET comes pre-loaded with BGCA programs, making it easy to set up your offerings and measure results.

About Us

COMET works with educators, parents, program providers, policy makers, and researchers to support informed decision-making, raise organizational quality and improve outcomes for kids.
