

COMET Operations Site Licensing Fees

COMET Operations is billed annually and priced according to the number of sites (locations) your program(s) operate in.

Using the table to your right, you can look-up the annual cost to use COMET Operations for your organization.

If you prefer to be billed twice/year or quarterly, our billing department can accommodate those requests.

If you have additional questions, please reach out using our [ContactUs](#) page on our website at comet4children.com.
